

Certification Committee

Objective:

To generate greater awareness and articulate the value proposition of the CCDM Certification across organizations, current CDM professionals, and the potential talent pool and thereby increase the uptake of CCDM certification in India

Plan for the Year

- To arrive at meaningful SMART goals for promoting CCDM certification
- Devise a basic structure around awareness process and programs

Current Status and Next Steps

- Information being collated with the support of global certification team and MCI to arrive at baseline and trends to inform SMART goals.
- Propose steps to achieve goals
